

EDITO

Here it is... the final trimester of the 2016-17 school year. Where has the time gone?! However, there is still a lot to come on the calendar over the next few months, socially and academically. That is one of the reasons that we have put together a special edition of the *Plume*, dedicated to all the upcoming events at the LFT from now until the end of the school year. School trips, exams, events, graduations, etc., they are all here. While there may be some additions along the way, we hope we have covered most of it all.

The **APA** has already begun the preparations for the **June 3rd Fun Fair**. We are also organizing a second conference for parents on **May 11** (more info to come) as well as the Wine & Cheese evening on **April 5**, and the next Café Croissant on **April 25**.
