

EDITO

Dear LFT families,

The school year is well under way. Our children are now allowed a small break to refill their energy levels to make it all the way to the Christmas break. The APA is already starting to work on the Holiday Market

(Thursday December 8) and events for parents for the new year. A very important event coming up on

November 24 is the **Annual General Assembly (AGM)**.

This is not only the moment for families to elect 3 new parent representatives – either in person or by proxy – but it is also the time to find out what the Board of Directors has been up to over the past year. During this time, when the future home of our school is an

important topic, we strongly encourage you to attend this meeting. Come to listen, ask questions and be heard. And if you have something meaningful to contribute, why not think about running for a Board position. More information about the AGM and the election process will be communicated to you by the Board via email. Have a restful week off.

Important Reminder

The Lycée is a “**NUT FREE**” school (which includes peanuts, almonds, walnuts, pistachios, etc.). This also includes *Nutella*. Many students have severe allergies to nuts so we would like to remind you that it is **forbidden** to bring to school any food items containing them. Thank you for your understanding!

SAFETY

- A reminder that the parking lot is a **one way**. For everyone’s safety we ask that you please respect the signs painted on the ground and follow the proper flow (including when you exit the school yard in the afternoon).
- Please pay particular attention when you are **backing** out of a parking space for the safety of the children.
- Please do **not** stop your vehicle in front of the main school door. We share the entryway with our neighbouring school and it blocks the passage for all.

Wine & Cheese!

We had a lovely evening last Wednesday, surrounded by great people and great food. We hope to see you there next time!

Yes, the time has come...

With the cooler and wet temperatures upon us, please remember to send children to school with a pair of indoor shoes that are to be left in the classroom.

Lost and Found!

We highly recommend that parents label children's clothing and supplies to help with loss prevention. The lost and found is already overflowing!!! Purchase labels from **Mabel's Labels** (<http://mabelslabels.com/c/?type=fundraiser&b=831>) or **Label Daddy** (<http://www.lyceetoronto.labeldaddy.com/>) to help stem the tide of unreturnable items and at the same time support the APA.
